SUBSTITUTE SPECIFICATION UNDER 37 CFR 1.125(b)

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Preliminary to the examination of the above-referenced patent application, please accept this substitute Specification and Abstract to correct some typographic and grammatic errors. No new matter has been entered in the substitute Specification and Abstract. As required, a marked-up version of the substitute Specification and Abstract is included herewith showing all the changes to the specification of record. Also included is a clean version of the substitute Specification and Abstract without markings as to amended material. The paragraphs have been individually numbered in Arabic numerals as required under 37 CFR 1.125(c).

Respectfully submitted,

Katherine McGuire
